## State of the State of IT in California

8:00 am Registration and Continental Breakfast

9:00 am Welcome and Opening Remarks

915 am Keynote

State of the State of IT

Clark Kelso, CIO, State of California

10:00 am Panel Presentation

State of IT in My Shop

The pace of work in State of California Departments is often dizzying. The fast pace makes it difficult to compare notes with ones peers. This session will be an overview of selected departmental IT organizations and the projects they are undertaking or have recently completed.

11:00 am Break

11:15 am General Session

Implementation of Common Business Applications and Systems

Vince Brown, Chief Deputy Director, Department of Finance and Chair, Enterprise Process Advisory Council (EPAC) (suggested)

Departmental and Enterprise business systems are in various stages of design and implementation throughout the State of California. The Enterprise Process Advisory Council is tasked with the development of a "visioning plan" that sets forth the strategy for acquiring common statewide business management systems to ensure they meet the State's business needs, budget development requirements and timelines. Mr. Brown will provide an update on the progress of the EPAC and efforts of individual projects throughout the state.

11:45 am Panel Discussion

**Back Office System Implementation** 

A number of organizations have implemented large scale back office systems. This panel of leaders will discuss the lessons learned during these implementations. The discussion will include what worked well and what would be done differently in hindsight.

Department of Water Resources representative (suggested) State Controllers Office representative (suggested) 12:30 pm Lunch

1:15 pm Lunch Keynote

E-Health

2:00 pm General Session
